The Community Bankers Association of Ohio (CBAO) is Ohio's oldest statewide financial trade association representing Independent Community Bank and Thrift Institutions. The CBAO has the influence to effectively serve, protect and promote the interests of its members through Legislative and Regulatory Representation, Endorsed Member Program, Insurance and Financial Services, Education and Training, Communications, Annual Convention and Trade Show, Special Events and other valued services. The Community Bankers Association of Ohio (CBAO) exclusively represents Community Bank and Thrift Institutions in Ohio who serve their communities through 1485 locations and 18,600 employees, with more than \$64 Billion in assets, \$49 Billion in insured deposits and over \$46 Billion in net loans.

Dragon Payment Systems Partners with CBAO Service Corporation

McBain, MI-Dragon Payment Systems has been named Partner for CBAO Service Corporation (CBAO-SC), a wholly owned subsidiary of Community Bankers Association of Ohio (CBAO), to offer its Remote Deposit Capture-Check 21 Plus program to CBAO members. The program provides convenience to the members' merchant customers by allowing them to deposit checks received directly into their accounts without leaving their places of business.

“This turnkey program allows financial institutions to have systems installed in merchant locations and to be operational in two to three weeks”, said Chuck Dixon, Vice President of CBAO-SC. “Competitive set up costs and low per transaction fees allow our members to bring this new service to their commercial customers affordably and securely. Our negotiated pricing structure allows an opportunity for fee income at prices that our members and their merchants can afford”, Dixon stated.

“We are excited about this new partnership and the opportunity to offer our remote deposit capture program to Ohio's community financial institutions and to the merchant customers they serve”, said John Mickner, Vice President Sales, Dragon Payment Systems.

Program highlights include:

- Secure Web Based Solution-No Software to Purchase or Integrate
- Multiple Options for Origination-Processor ODFI, ICL Bank to Bank, or ICL Direct2Fed
- Branded to the Financial Institution
- Customer Training and Hardware Support
- Sales and Marketing Support
