

Michigan Association of
Community Bankers

DRAGON PAYMENT SYSTEMS

Offers a turnkey Remote Deposit Capture - Check 21 Plus Program which allows banks to be operational in two to three weeks.

Competitive set up costs and per transaction fees allow member banks to bring this popular new service to their commercial customers affordably and securely. Our negotiated pricing structure allows an opportunity for fee income at prices that you and your merchants **can afford**.

Program highlights include:

- Secure Web Based Solution - No Software to Purchase or Integrate
- Customer Training and Hardware Support
- Multiple Options for Origination
- Processor ODFI, ICL Bank to Bank, or ICL Direct2Fed
- Branded to Your Bank
- Sales and Marketing Support
